

## Regional Database Criminal Search (Instant)

Regional criminal database search (Department of Corrections, Administrative Office of Courts, and /or individual county in these regions for individuals that have been convicted of a felony or misdemeanor crime in that particular region. Simply select "Regional Criminal Search" on the report menu when you begin to place an order. Each Regional Search is made up of 25 million to 30 million various records from multiple states, and allows users to select one of five regions to narrow the search.

Regions available are: Southeast, Northeast, Southwest, Midwest and Northwest.

- Instantly reported results
- Price is per region searched
- Coverage areas vary per state
- This search will include all data sources within the identified states per region, including Sex Offender registries from the region's specific states if applicable.

### Administrative Office of the Courts (AOC)

The AOC is a state agency that receives criminal record updates from county courthouses located within their jurisdiction (within a particular state). Contains felony and misdemeanor criminal records. Information may include: convictions, adjudication withheld, deferrals, first offender, pre-trial intervention and may contain some traffic violations.

### Department of Corrections (DOC)

The DOC contains criminal records on individuals who are or have been incarcerated or supervised by the Department of Corrections. Information can contain current inmates, released inmates, parolees and probationers. Primarily contains felony convictions, but dependant on state may contain deferrals, adjudication withheld, first offender probation, pretrial intervention and serious misdemeanors.
