

Information Technology Scholars Program

Church Mutual Insurance Company and Northcentral Technical College (NTC) are proud to offer the Information Technology (IT) Scholars Program to support the educational goals of students in pursuit of careers in IT.

100% PAID TUITION

BEGIN AT NTC:

Church Mutual Insurance Company will provide financial assistance to graduating high school seniors aspiring for a career in IT and enrolling in either the IT-Software Developer or IT-Network Specialist programs at NTC during the fall 2019 semester. In exchange for free tuition, participants will work part-time in Church Mutual's IT department while in school.

TRANSFER TO A 4-YEAR PARTNER COLLEGE:

Students then transfer to a four-year partner college to complete a bachelor's degree in an IT program and upon graduation, will receive

FULL-TIME EMPLOYMENT.

APPLICATIONS WILL BE ACCEPTED:

Sept. 17, 2018 - April 12, 2019
