

Hire with confidence

Contact Insight Worldwide today!

Make better hiring decisions with Insight Worldwide, Church Mutual's recommended resource for pre-employment screening assessments.

Building a productive, trustworthy workforce

Church Mutual has partnered with Insight Worldwide to offer **Premium Care Selection**, a pre-employment screening solution that can help you better protect your senior living residents — and your business.

Benefits:

- Reduced turnover and costs
- Improved job performance
- Enhanced level of care
- Fewer workers' compensation claims
- Reduced employee theft and abuse
- Improved workplace morale
- Improved safety records

Compliant and easy to use:

- Simple and cost-efficient
- 100 percent online via any computer, tablet or smartphone
- 30 minutes to complete
- Immediate results
- EEOC and ADA compliant
- Compatible with Applicant Tracking System (ATS), as well as online job application forms

Pricing:

All pricing includes:

- Training
- Ongoing technical support
- Utilization reports
- Client services
- Validation study information, if requested
- Plus, as another example of how Church Mutual helps you protect the greater good, all **Church Mutual Insurance customers will receive special discount pricing.**

Church Mutual customers have no set up fees

(usually priced at \$399 per location)

— PLUS —

10% off subscription fees

Better employees. Better care.

Developed specifically for the senior living industry, Premium Care Selection:

Identifies:

Applicants most likely to succeed as:

- Certified nursing assistants
- Licensed nurses
- Memory caregivers
- Administrative and support staff

Applicants who admit to:

- Employee theft
- Illegal drug use
- Workers' compensation fraud
- Workplace violence

Measures:

Attributes linked to success, such as:

- Compassion
- Trust
- Honesty
- Respect
- Dedication
- Dependability
- Patience

Integrity Plus

In addition to senior living, Insight Worldwide offers assessment programs for just about any market. Integrity Plus can identify less obvious moral and behavioral details — suitable for prescreening applicants at houses of worship, schools and camps and conference centers.

About Insight Worldwide

A leader in the healthcare and human resources industries for more than 16 years, Insight Worldwide has conducted more than 8 million integrity assessments to date, helping customers cost-effectively increase retention, reduce risk, and build productive, trustworthy workforces.
