

RISK CONTROL CENTRAL

We're here for you.

**Risk management
is not about luck.**

It takes effort, and a team of people to make it happen.

Church Mutual Insurance Company's **Risk Control Central** is here to help you protect your people, property, and organization. We will carefully research your questions and offer solutions to meet the unique needs of your organization and assist you in achieving your safety and risk management-related goals.

Risk Control Central consultants can serve you in many different ways. We can help explore risk management topics relating to your property, liability, and workers' compensation concerns. Some common services include the following:

Discuss active shooter planning and security resources.

Provide advice for safe transportation.

Review money and check handling procedures.

Improve return-to-work procedures and prompt reporting.

Strengthen policies to help avoid sexual abuse encounters.

Help is just a call or click away

Our consultants are available by phone or email to discuss your questions and concerns.
