

DISCIPLINE POLICY

Employees may be subject to discipline for many reasons, including performance failure, misconduct, inappropriate behavior, and failure to comply with company policies, including the Code of Conduct and other policies. This list is not all-inclusive, but simply provides examples of conduct that may result in discipline up to and including termination. We reserve the right to discipline any employee and to determine the particular discipline to be imposed in any given case including, but not limited to, disciplinary actions such as verbal warning, written warning, or suspension, in any order, or termination of employment.
