

Motor Vehicle Reports

Motor Vehicle Record Search (MVR):

Turnaround time – Same day on average

Trusted Employees will verify the applicant's complete personal driving history, including whether a license is valid, when it expires, and any driving violations committed. Some states offer a 3-year driving history and other states offer a 7-year driving history.

Commercial Driver's License (CDL):

Turnaround time – Same day on average

This product is for candidates or employees who hold a commercial driver's license and operate vehicles with a gross weight of more than 26,001 lbs.

We search the nationwide commercial driver's license database for violations committed while the applicant was driving a commercial vehicle.

Department of Transportation (DOT) Verification:

Turnaround time – 1 to 3 business days on average

We will send a candidate's current/previous employers the DOT safety questionnaire on your behalf to find out if they've had any accidents, safety violations, or substance abuse (including alcohol) violations while they were employed as a driver. This product is only relevant for employees holding driving positions. We date stamp when the paperwork is sent to verify that a request has been made.
